

WESTERL CASE CONTINUED

Grills-Spinato Case Goes Over for Fourteen Days—Continuance in Champlin Non-Support Case—Senator Arnold's Project to Increase State Revenue—Sale of Peckham Homestead.

The expected happened in the case of Joseph Grills charging Joachim and Rosario Spinato, brothers, with perjury. The Spinatos are the complainants against Grills in the embezzlement case pending in the Washington county superior court.

At the regular session of the Third district court Friday, Judge Oliver H. Williams, the cases against the Spinatos were on the docket for hearing. Judge John W. Sweeney, counsel for Grills, announced to the court that a representative of the Spinato brothers had acknowledged that the money had been deposited just as Grills had testified and that the bank books of the Spinatos and the books of Grills agreed as to deposits. Judge Sweeney said this verified the claims of his client and that he had gone over the whole matter with Assistant Attorney General Cross, who was satisfied to leave the case at the discretion of Judge Williams, so far as the attorney general's office was concerned.

Judge Sweeney asked that the cases be continued for fourteen days and that the two respondents be released upon their own recognizance, and by that time probably final disposition would be made of the case. The request was granted and the Spinato brothers were released.

Mr. Grills, the Spinatos and several of their Italian friends left the court room together and apparently on friendly terms.

The case of John Henry Champlin, charged with non-support of his wife and child, was called. Attorney Walter P. Dixon said he had not been engaged as counsel for accused until late Friday night and therefore had no opportunity to summon witnesses and he asked for continuance for one week.

Town Solicitor Kingsley opposed continuance, saying that the case had been arrested over a week ago and had ample time to get counsel, that the state's witnesses were present and that the state was ready to proceed with the trial. Judge Williams granted continuance for one week. The other cases on the docket were also continued.

There were some interesting incidents at the 90th birthday reception of Edwin Babcock at his residence in Elm street Thursday. Among the callers was Edwin A. Scofield, 92, and incidents were related by the old man of the Westery of over eighty years ago.

"Aunt" Betsey Champlin, aged 90, the oldest woman in Westery, who had reputation in and out of the town as expert maker of wedding cakes, so, Mr. Babcock a cake of her own make. Another caller was a well known horseman. After receiving the birthday congratulations Mr. Babcock informed that he had consumed a horse trade. Mr. Babcock remarked: "There, there, a clear case of combining business with pleasure."

In order that the revenues of the state may be increased, Senator Louis W. Arnold of Westery introduced an act in the senate Thursday providing that the tax which the state imposes on each town and city be increased

Words to Freeze the Soul. "Your son has consumption. His case is hopeless." These appalling words were spoken to George E. Blevins, a leading merchant of Springfield, N. C., by two expert doctors—one a lung specialist. Then was shown the wonderful power of Dr. King's New Discovery. After three weeks' use," writes Mr. Blevins, "he was as well as ever. I would not take all the money in the world for what it did for my boy. He is now healthy and strong, it's the safest, surest cure of desperate lung diseases on earth. \$1.00 and \$1.00. Lee & Osgood Co. guarantee satisfaction. Trial bottle free.

Sweet Over Niagara. This terrible calamity often happens because a careless business man ignores the river's warnings—growing ripples and faster current. Nature's warnings are kind. That dull pain in the back warns you the kidneys need attention if you would escape fatal maladies—dropsy, diabetes or Bright's disease. Take Electric Bitters at once and see backache fly and all your best feelings return. "After long suffering from weak kidneys and lame back, one \$1.00 bottle wholly cured me," writes J. R. Blankenship of Belk, Tenn. Only 50c at Lee & Osgood Co's.

Mr. F. G. Potts, Oneonta, N. Y., writes: "My little girl was greatly afflicted by taking Foley's Orino Laxative, and I think it is the best remedy for constipation and liver trouble." Foley's Orino Laxative is best for women and children as it is mild, pleasant and effective, and is a splendid spring medicine, as it cleanses the complexion. Lee & Osgood Co.

Mr. Jordan's Money Talked. Expended \$3.35 for L. & M. Paint to fix up his house. If for sale it will fetch a good price. The painters said it was the 2nd best oil they mixed with 4 gallons of L. & M. that did the job at 1-3 less cost than ever before. Its coloring is bright, beautiful and lasting. It won't have to be painted again for 12 to 15 years, because the L. & M. Paint is Metal Zinc Oxide combined with White Lead and wears and covers like gold. Sold by L. W. Carroll & Son, Norwich, Ct.; J. P. Kingsley & Son, Plainfield, Ct.
